

# EVIDENCE-BASED PRACTICE OF STEREOTACTIC RADIOSURGERY

Wednesday, January 16, 2019 - 5:30 – 9:30 pm

Griffis Faculty Club at Weill Cornell Medical College - 525 East 68<sup>th</sup> Street, New York, NY 10065

## AGENDA

### **5:30 - 6:15 pm - REGISTRATION**

### **6:15 - 6:30 pm - WELCOME & INTRODUCTIONS**

- Shalom Kalnicki, MD - Chair, Radiation Oncology, Montefiore Medical Center/Albert Einstein College of Medicine
- Susan C. Pannullo, MD - Director, Neurosurgical Radiosurgery, NY Presbyterian/Weill Cornell Medicine
- Silvia Formenti, MD - Chair, Radiation Oncology, NY Presbyterian/Weill Cornell Medicine
- Philip E. Stieg, PhD, MD - Chair, Neurological Surgery, NY Presbyterian/Weill Cornell Medicine

### **6:30 - 7:45 pm - RESIDENT PRESENTATIONS**

#### ***Selected Topics in Evidence-Based Practice of Stereotactic Radiosurgery***

##### *Management of Oligometastatic Disease with Stereotactic Radiosurgery*

Aviva Berkowitz, MD, Radiation Oncology Resident, Montefiore Medical Center/Albert Einstein College of Medicine

##### *Data on Functional Radiosurgery*

Diana Julie, MD, Radiation Oncology Resident, NY Presbyterian/Weill Cornell Medicine

##### *Spine Radiosurgery*

Swathi Chidambaram, MD, Radiosurgery Research Fellow, NY Presbyterian/Weill Cornell Medicine

##### *Immune Therapy + Cranial Stereotactic Radiosurgery*

Shamik Chakraborty, MD, Neurological Surgery Resident, Zucker School of Medicine at Hofstra/Northwell Health

##### *Immune Therapy + Extracranial Stereotactic Radiosurgery*

Sean Mahase, MD, Radiation Oncology Resident, NY Presbyterian/Weill Cornell Medicine

##### *Radiosurgery for Arteriovenous Malformations*

Benjamin Rapoport, MD, PhD, Neurological Surgery Resident, NY Presbyterian/Weill Cornell Medicine

#### Faculty Moderators

- Jonathan Knisely, MD - Medical Director, Radiation Oncology, NY Presbyterian/Weill Cornell Medicine
- Michael Schulder, MD, - Director, Brain Tumor Center and Vice-Chair, Neurological Surgery, Hofstra/Northwell Health

### **7:45 - 8:00 pm - BREAK**

## **8:00 - 8:30 pm - RESIDENT PRESENTATIONS**

### ***Data Collection and Registries in Radiosurgery***

#### *Challenges in Radiosurgery Clinical Trials/Radiosurgery Registries*

Amanda Rivera, MD, Radiation Oncology Resident, Montefiore Medical Center/Albert Einstein College of Medicine

#### *RSSearch® Radiosurgery Registry*

Justin Tang, MD, Radiation Oncology Resident, Montefiore Medical Center/Albert Einstein College of Medicine

#### *AANS Stereotactic Radiosurgery Registry*

Jonathan Chen, MD, PhD, Radiation Oncology Resident, NY Presbyterian/Weill Cornell Medicine

### **Faculty Moderators**

- Madhur K. Garg, MD - Clinical Director Radiation Oncology, Montefiore Medical Center/Albert Einstein College of Medicine
- Rohan Ramakrishna, MD - Director, Brain Metastases Program in Neurological Surgery, NY Presbyterian/Weill Cornell Medicine

## **8:30 - 8:45 pm - CONCLUDING REMARKS**

### **Opportunities for Collaboration to Advance the Field**

- Chandan Guha, MBBS, PhD - Radiation Oncology, Montefiore Medical Center/Albert Einstein College of Medicine
- Evan M. Thomas, MD, PhD - Radiation Oncology Resident, University of Alabama at Birmingham
- Kristine Gagliardi - Co-Founder, The Radiosurgery Society

## **8:45 - 9:30 pm - Q & A, closing discussions**

### **Faculty Moderators**

- Shalom Kalnicki, MD - Chair, Radiation Oncology, Montefiore Medical Center/Albert Einstein College of Medicine
- Susan C. Pannullo, MD - Director, Neurosurgical Radiosurgery, NY Presbyterian/Weill Cornell
